

You are invited to the

# ADHD Support Group Meeting

on

Wednesday, 26<sup>th</sup> June 2019

7:30-9:00pm

St Oswald's Social Club, Padgate Lane, WA1 3LB

07486 124414

## Our Aim

The aim of the group is to provide help and support to anyone affected by ADHD/ADD and associated conditions.

We don't claim to be experts, just families that have come together to support each other.

You do not need to have a confirmed diagnosis and this is NOT something we can help with, but we are here to listen and share our experiences.

## Working Together

The group is predominately led by parents. Members can be involved as little or as much as they would like.

Confidentiality is paramount so parents and carers can share their problems - this is sometimes half the battle. Being understood is the other.

We also encourage you to tell us what is missing within your support network.
