

Physical Education Funding Allocation

2022/2023 Overview

Ravenbank School

School context

YEAR	2017	2018	2019	2020	2021	2022
No. OF PUPILS ON ROLE	419	418	415	412	418	415

At Ravenbank Primary School, we believe that PE and Sport plays an important role in fulfilling our vision statement: Working Together to Achieve Success. We welcomed the Government's announcement in March 2023 confirming that the government were committing over £600 million across the next two academic years (2023-24 & 2024-25) for the continuation of the Primary PE and Sport Premium – a funding commitment to improve the quality of PE and sports in primary schools to help children benefit from regular activity. The funding will continue to prioritise children's physical wellbeing, help children get an active start in life and support primary schools to improve the quality of their PE and sport provision.

At Ravenbank we believe that this funding has a positive outcome on our children and has enabled us to aspire to greater heights. PE and school sports are vital in enhancing the physical, social and emotional well-being of our young people. PE and school sport is highly valued at Ravenbank Primary School. For the academic year of 2021-2022 and 2022 – 2023 we were again awarded the School Games 'Platinum' award, previously awarded in 2019. This is a fantastic recognition for the hard work the children and staff have done in all areas of the PE curriculum and when planning and taking part in school competitions. Additionally, we have excelled across a range of out of school sports competitions at local, district and county level.

EXTRA CURRICULAR SPORTING CLUBS

Please refer to the School Club Matrix for the current club provision however in summary the school provides a range of sporting extra-curricular clubs to include: football, dance, tennis, cross-country running, karate, gymnastics, rugby, multi-sports.

Statutory information

PE and Sports Premium Funding Objectives in spending the PE and Sports Premium funding:

- To continue to provide all teachers with additional skills to further enhance the teaching and learning of physical education
- To increase the quality and quantity of physical activities being taught across the school day
- To provide even more children with a range of opportunities to participate competitively
- To purchase a range of resources to enable children to be more active across the school day

Key Indicators

Key indicator 1: The engagement of all pupils in regular physical activity – Chief Medical Officers guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school

Key indicator 2: The profile of PESSPA being raised across the school as a tool for whole school improvement

Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport

Key indicator 4: Broader experience of a range of sports and activities offered to all pupils

Key indicator 5: Increased participation in competitive sport

BUDGET

Total amount carried over from 2021/22	£ 2,155
