NEWSLETTER

Friday 20th June

Dear Parents and Carers,

As we approach the end of term, we're preparing to help your child feel happy and confident about moving into their new class in September. Information about new teachers will be emailed home on Wednesday 2nd July. On this day, children will meet their new teacher in their current classroom and on Monday 21st July they will spend a morning in their new class, enjoying activities and exploring their new environment. Reception children will also have weekly visits from their new teacher to help them adjust gradually. Teachers also hold handover meetings to share key information about each child, ensuring a smooth transition.

Next term, we'll be offering chances for you to meet your child's new teacher and learn how to support them at home – more details to follow.

Join the Ravenbank Team at the May Queen Procession!

Children are invited to take part in the procession on Saturday, July 5th. Please meet us outside Brookfield Surgery at 11:30am.

The theme is "rainbow", so please wear bright, summery colours. Children will line up behind the Ravenbank banner and receive a Ravenbank flag to wave.

Kind regards
Mrs Jill Sach

STAFFING

Staff Farewells

As we near the end of the academic year, we sadly say goodbye to some valued members of our school team. As pupil numbers continue to gradually decline, our staffing numbers will also reduce over the coming years.

After an incredible 28 years at our school, Mrs. Gresty is retiring. She has made such a positive impact on countless children, families, and staff during her time at Ravenbank. I have been so impressed by her constant dedication to the children in her class and the thoughtful measures she puts in place to make sure she supports all her children. She will be greatly missed by everyone at Ravenbank.

We'd like to share a heartfelt farewell to Miss Nicholson, who is leaving to pursue an exciting new adventure setting up her own equestrian clothing company! We're so proud of her and grateful that she's promised to return to support us with supply cover.

We're also very sorry to say goodbye to Miss Bradley, whose contract comes to an end this term. She is so loved by both children and staff alike, and we know she'll be a wonderful asset wherever she teaches next. We wish her every success for the future and will miss her a lot!

Mrs Walton will also be leaving us at the end of her contract, as Mrs Williams returns from maternity leave in September. We'd like to thank Mrs Walton for all her fantastic support with Year 4 this year – she'll be missed by us all.

Miss MacNamara is also leaving at the end of her contract and we also wish her lots of luck in her future roles. We're grateful to each of these wonderful colleagues for their contributions and wish them all the very best for the future.

Staffing 2025-2026

We understand how important high-quality classroom support is to families. While school budgets remain increasingly challenging, we have carefully shaped our staffing model to provide the strongest support we can within the resources available. More information about our staffing structure will be shared on Wednesday 2nd July, when class teachers will visit their new classes to read them a story.

Pre-loved Uniform: Pop Up Uniform Sales- back by popular demand!

I am delighted to inform you that pre-loved uniform will be available once again. A huge thank you to Mrs Corrin (and her willing helpers) for volunteering to coordinate this. You can drop off uniform in bags (please only uniform that is in good condition) to the front entrance hall and drop it into the clothing bank. This will be collected weekly and pop up uniform sales will take place on both of the Sports Days with a donation to the PTA.

I am also liaising with Touchline to discuss some feedback parents have given about the PE kits and look to ensure this part of the uniform is easier to clean.

EVENTS

GOOFUS THEATRE PERFORMANCE

We're really excited for the theatre performance next Thursday. Children in reception, Year 1 and Year 2 will have an opportunity to watch the performance in the afternoon.

The cake sale will take place outside Miss Fenney's classroom. All cakes 50p and cash only.

PARENT FORUM

Thank you to everyone who attended our Parent Forum today. It was a really useful meeting and we discussed communication about the curriculum, children's progress and wider communication channels.

The results from the Parent Survey and outcomes from today's meeting will be shared with all parents in the next newsletter.

The next meeting will take place on Friday 14th November at 2pm.

SUMMER SUMMER FESTIVAL

Tickets are now on sale for the Ravenbank Festival 2025 on Saturday 28th June 12-5pm. This is a largest fundraiser of the year and also a brilliant day out so we are hopeful of bumper ticket sales.

SUMMER READING & BOOK FAIR

SUMMER READING CHALLENGE!

We are facing a national crisis in children's reading. Recent research shows that only 1 in 3 children and young people now enjoy reading, a drop of 33% since 2005 (Clark, et al., 2024) and 1 in 4 children in the UK cannot read well by age 11. This hugely limits their life choices and skills. You can make a huge difference by encouraging your child to take part in the Summer Reading Challenge.

It's the UK's biggest reading for pleasure program for children aged 4 to 11, delivered via public libraries. Children can sign up for free at their local library or online. There are many reasons for taking part in the challenge:

- Amazing way to boost confidence and self-esteem.
- They will be better prepared to return to school in the autumn.
- The Challenge supports the move into a new year group.
- The library provides free access to books and fun family activities all through the summer.

If you take your child to your local library, they will receive a special sticker booklet and they can choose from books, eBooks or audiobooks. Each time they return to the library to log their progress they will receive stickers, bookmarks and other incentives. As an extra incentive, every child at Ravenbank will receive a headteacher's award when they return with their final medal and certificate in the autumn term.

You can also take part online by clicking this link:
<https://summerreadingchallenge.org.uk/>

**Summer Reading Challenge**

Help Your Child Discover the Joy of Reading This Summer!

This summer, give your child the chance to fall in love with reading! The **Summer Reading Challenge**, created by The Reading Agency and delivered in partnership with public libraries, is a FREE, fun-packed way to keep kids reading and learning all summer long.

This year's theme is **Story Garden**, where imagination blossoms and stories grow! Children will explore creativity, storytelling, and the magic of books through exciting activities and adventures.

Why Join?

- It's **FREE!** Available at local libraries and online
- Inspires a **lifelong love** of reading
- Boosts **confidence, creativity, and imagination**
- Earn **rewards, certificates, and prizes**
- Fun for the whole **family**. Visit your **local library** together
- **95%** of children said they **read more** after joining!
- Children **choose their own books** to read over the summer, **collect rewards** for each milestone they reach, and **receive a certificate or medal** when they complete the challenge.

Visit your local library or go online at
summerreadingchallenge.org.uk
to get started from 5 July 2025.

Help your child start their reading adventure today!

SCHOLASTIC BOOK FAIR

It's that time of year again—our annual book fair. The book fair will be taking place from Monday 23rd June until Friday 27th June from 3.15- 4.00pm in the school library. Books will be available to take home on the night and we will be operating a cashless payment system, with payment either by card or QR code. We earn excellent commission on the books you buy, enabling us to keep our school library up to date with popular books, so please come along and support this event.

END OF YEAR REPORTS

This year you will receive your child's report via an email. that will be sent to both parents. In order to access the report, you will need to enter your child's date of birth and then you will be able to view, download and save your child's report. In school, we have a folder with paper copies of all previous reports. We will be sending this home so you can keep them safe, and add to if you wish so.

The following information will be included in this year's report. Please read in advance, so when your child's report comes home, you are aware of what the information is referring to.

Attainment

Your child's attainment in all subjects taught (where they are academically now)

Attainment refers to the level of achievement your child has achieved this year in relation to age-related standards as set by the National Curriculum.

- If your child's report says 'OnTrack' this means they have met the expectations in this area of the curriculum and are working at the Expected Standard.
- If your child's report says 'Greater Depth' this means that they have exceeded the expectations in this area of the curriculum.
- If your child's report says 'Just Below' then this means that your child hasn't yet met all of the expectations in their year group and they will have received additional support to work towards the year group expectations. Your child's teacher will have discussed this with you in parents' evenings.
- If your child's report says 'Below' then this means that they are working below the standard of the curriculum and will be receiving additional support to reach personal targets.
- Your child's report includes results from the summer NFER tests for reading and maths. NFER Tests use a standardised score range from 70 to 140. Scores around 100 representing the average. Scores below 85 generally indicate below average performance, while scores above 115 suggest above average performance. These tests support teachers in monitoring your child's progress and identifying gaps in their understanding.

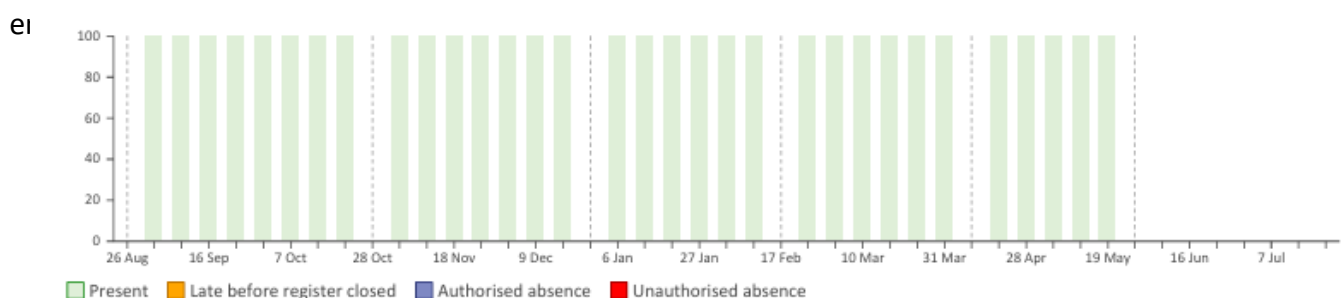

There will be some variance to the above information for children with an EHCP to ensure we capture all of their progress in the key areas.

Wider Curriculum Attainment

You can see the curriculum content for each year group which is set out in their long-term plans on our website. If you wish to see what the Expected Standard looks like in the different subjects, please click on this [link](#) to view the standards expected in each subject.

Attendance

Your child's report will also include a chart showing their attendance for the year. It will show you any absences and these are coded by unauthorised (holidays) authorised (medical or illness) and any lates. If you feel there is anything the school could do to further support your child's attendance, I would
