NEWSLETTER

Friday 4th July

Dear Parents and Carers,
Thank you for the valuable feedback shared at the recent Parent Forum. In response, we're making a small but important change to our newsletters to help streamline communication.

From now on, the front page of each newsletter will highlight all the essential information that parents need to stay up to date with key events and activities in school. Additional content that's useful but not urgent will follow further down the newsletter under a 'Nice to Know' section.

To ensure you don't miss any key dates or reminders, we'll also be sending a brief Friday update during weeks when there is no full newsletter.

We hope these changes make it easier to stay informed and connected with school life.

Best regards,
Jill Sach

NICE TO KNOW

Goodbye and Goodluck!

As we come to the end of the school year, we say a heartfelt farewell to a much-loved member of our school community, Mrs Hurrell, who is retiring at the end of the year. Mrs Hurrell has been involved with Ravenbank since 2006 when her first child joined the school. Over the years, she has given so much of her time, energy, and care in so many different roles – first as a PTA member for two years, then as a parent helper for four years, and later as a Teaching Assistant for an incredible 12 years, working mostly with our youngest learners in EYFS.

Mrs Hurrell has also been a familiar presence on our Year 5 residential trips to Robinwood, supporting the children through these memorable experiences! In addition, she has contributed enormously as a Staff Governor for over seven years, helping shape the direction of the school with her thoughtful input and commitment to the school. We are deeply grateful for everything Mrs Hurrell has brought to Ravenbank – her kindness, warmth, and unwavering dedication have made a lasting impact on pupils, staff, and families alike.

Madame Pierre

After more than 10 years at Ravenbank, teaching French to Year 5 and 6, we're sadly saying goodbye to Madame Pierre. Her friendly nature, fantastic rapport with the children, and ability to make every lesson fun and engaging have made her a truly special part of our team. She will be greatly missed by both staff and pupils alike. We'd like to sincerely thank her for all her hard work and dedication over the years. We're pleased to welcome Madame Woodroffe as her replacement and look forward to welcoming her in September.

Parent Forum

Many thanks to everyone who attended last week's Parent Forum. We found it a very informative session, and it has given us a lot of valuable insights to reflect on with senior leaders and governors.

This is a summary of the key themes:

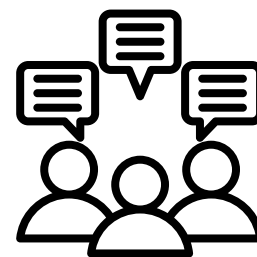

What's Working Well:

- Parents appreciate the fortnightly newsletter, particularly the calendar and reminders sections.
- The School Spider app and Class Dojo are valued tools for staying informed and seeing class activities.
- Personal, approachable communication from teachers and office staff was consistently praised.
- Reception parents spoke positively about Tapestry, especially when it provides individualised updates.
- Efforts to engage working parents through evening communications and online alternatives to meetings were welcomed.
- Information on Expeditions and topic overviews has been well-received where shared.

Even Better If:

- There was a general consensus that parents would like more information about children's progress and attainment each term. This is achievable through our electronic data platform, where we can share attendance, attainment, and further guidance on supporting children at home.
- Parents would also like to receive information about weekly learning activities via Class Dojo.
- A more consistent communication system is preferred—one where parents can easily contact teachers. School raised that it is important for information is centrally accessible so that the office can support parents if teachers are unavailable.
- Having a central place for key information (e.g. an online calendar) would be helpful.
- A request to continue to consider working parents when arranging events and information evenings.

We've already looked into an online calendar on the school website and have made alternations to this newsletter to make information clearer. Over the summer, we will work on putting some firmer actions in place based on feedback and look forward to sharing those with all parents soon.

NICE TO KNOW

Year 3 Rockpool Experience

We really enjoyed the rockpool experience and learnt about new species and all the funny parts of their body. Here are the fascinating creatures we looked at: common starfish, sun starfish, spider crabs and hermit crabs. The common starfish felt really bumpy and squishy. We found out that it has eyes at the end of its arms and it has 500 feet! The sun starfish was much softer and we thought it felt like a waffle cone. This one had 900 feet. We had a really fun time. Thank you to the PTA and our parents for funding this amazing experience linked to the Year 3 Expedition: Coast to Coast.

Lymm May Queen

Congratulations to Francesca Fox who is the Lymm Rose Queen this year. We can't wait to see her tomorrow at the parade, along with all the other children.

Committed to Inclusion

We were delighted to receive our certificate to confirm our on-going commitment to providing an inclusive environment. To achieve this award, the school ensures that staff attend a range of training events and submits evidence of applying strategies within the Graduated Response.

Abandoned Buildings

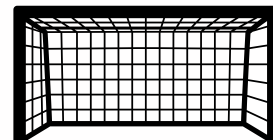

Warrington Police are urging parents and carers to make sure their children understand the dangers of playing in empty buildings after three teenagers were arrested on suspicion of burglary and criminal damage. The risks of abandoned buildings include questionable structural integrity, black mould and entry and exit hazards. It also brings with it the risk of a criminal record.

Insp Lee Hillyard said: "We don't want to have to be knocking on parents or carers doors to deliver the upsetting and tragic news if someone is seriously injured, or worse, because unbeknown to them, the children were playing in an unsafe derelict building."

Anyone who sees children entering empty properties should contact Cheshire Police on 101, or 999 in an emergency.

SPORTING NEWS

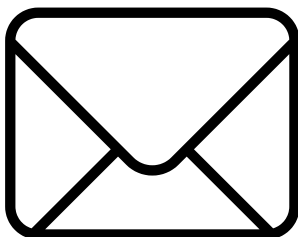

As of September, all sporting news will be published in a separate monthly newsletter. Please continue to send any sporting news to Miss Fenney via ravenbank.primary@thebeamtrust.co.uk

Year 1 Football Tournament

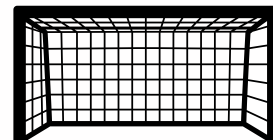

On Tuesday 1st July, Mr Williams took a group of Year 1 boys and girls to the Freedom Football Festival competition. They all played amazingly! Their determination and fantastic team work paid off, as they won the whole tournament! We are all super proud of what they achieved. Well done: Leo, Felix, Eleni, Ronnie, Bray, Zac, Theo and Judi!

James (5CB) attended the annual Scouts Waterloo Shooting Camp on Saturday 14th June. He was one of the youngest scouts there at 10 1/2 and won himself a silver medal in the 12 and under crossbow competition! What a fantastic achievement, well done James!

SPORTING NEWS

On Saturday 28th June, Ethan (5CB) was chosen to be a player escort for The FA Disability Cup finals at St. George's Park in Staffordshire. As a Player Escort, Ethan had the opportunity to go pitch side and watch the players warm up, escorted the players on to the pitch (this was on live TV!) and visit the experience area.

Ethan was chosen to escort players for the Blind cup final - The Royal National College for the Blind vs West Bromwich Albion Blind FC. Ethan found the whole experience very exciting, getting to first try to play himself with the blindfolds and the rattle ball in the experience area before escorting the players and watching the match. The players were so inspirational and very skilful, watching them dribble the ball up the pitch and score completely without sight – just using audio commands and of course the rattle ball and acoustic kickboards to help and guide them. Ethan found this an amazing and inspirational experience.

Wow! What a day to remember!
