

Working Together to Achieve Success

We are a nut-free school.

# NEWSLETTER

Friday 18th July

Dear Parents & Carers,

As we come to the end of the academic year, I want to take a moment to say a heartfelt thank you to all our parents and carers for your continued support throughout my first year as Headteacher at Ravenbank. It has been a privilege to work within such a dedicated and caring school community.

I would also like to extend my sincere thanks to our amazing staff, wonderful children, superb PTA and committed governors. Together, we have achieved some fantastic milestones this year, including:

- The successful introduction of My Happy Mind, supporting children's wellbeing and emotional development
- Our new Expeditions curriculum, creating engaging learning experiences
- And some truly strong [end-of-year statutory outcomes](#), reflecting the hard work of both pupils and staff (click on link to view)

As we look ahead to September, we are excited to build on this success. Key priorities for next year include:

- Continuing to strengthen our reading and writing provision, ensuring all children make strong progress
- Launching a new online maths homework programme to support learning at home
- Reviewing and refining our provision for children with additional needs, to ensure every child receives the right support at the right time
- Launching our termly reports, sharing end of term assessments, attendance data and useful 'how to help your child' prior to Learning Reviews.

There will be a mix of online and face-to-face opportunities in the autumn term for parents to learn more about these developments and how you can support your child's learning journey.

Thank you once again for being part of the Ravenbank community. I wish you and your families a safe, restful, and happy summer.

Jill Sach

## UPCOMING DATES

### Monday 21<sup>st</sup> July

- Children visit new classes & meet teachers

### Tuesday 22<sup>nd</sup> July

- 4DG Violin Concert 2.30pm

### Friday 25<sup>th</sup> July

- Year 6 Leavers' Presentation 9am
- School closes 2pm

### Wednesday 3<sup>rd</sup> September

- Children return to school
- Reception children start transition days

### Friday 5<sup>th</sup> September

- Meet the teacher/drop in session 2.30pm

### Monday 15<sup>th</sup> & Tuesday 16<sup>th</sup> September

- Individual pupil photographs

### Thursday 18<sup>th</sup> September

- Online parent update 7pm

### Friday 19<sup>th</sup> September

- Coffee morning & hear about the School Development Plan 8:40am

### Friday 26<sup>th</sup> September

- European Day of Languages

### Monday 29<sup>th</sup> September

- Y6 Visit to Quarry Bank Mill

### Tuesday 30<sup>th</sup> September

- Reception Stay & Play 2.30pm

### Friday 3<sup>rd</sup> October

- Reception Stay & Play 8.40-9.30am

### Wed 15<sup>th</sup> Thurs 16<sup>th</sup> Fri 17<sup>th</sup> October

- Year 5 Residential

### Thursday 23<sup>rd</sup> October

- PTA Spooky Disco

### Friday 24<sup>th</sup> October

- Year 3 trip to Tatton Park
- School closes for half term

### Wed 19<sup>th</sup> & Thurs 20<sup>th</sup> Nov 3.30-6pm

- Learning Reviews

PLEASE SEE OUR NEW CALENDAR ON THE HOME PAGE OF OUR WEBSITE AND OUR [EVENTS CALENDAR 2025-2026](#)

## Important Notices/ Reminders:

- **Parent Pay:** Please can all parents ensure their ParentPay accounts are in credit until the end of term. For Year 6 pupils, please keep them in credit until they leave school. All credits will be refunded once school closes or can be transferred onto siblings accounts. Please send an email to [ravenbank.primary@thebeamtrust.co.uk](mailto:ravenbank.primary@thebeamtrust.co.uk) if you would like us to sort this for you.
- **Nails on road:** We've been made aware that some parents have found nails on the road when parking near school. If you come across anything similar, please report it directly to Warrington Borough Council with photographic evidence via the following link: [Report road damage or debris](#) Please note that the school is not responsible for the condition of the public roads surrounding the site, but we will always do our best to make parents and carers aware of any concerns reported to us.
- **Parking:** We would also like to remind all families to park legally and considerably outside school. Recently, our local PCSO has been attending in response to concerns about drivers parking on double yellow lines or blocking driveways. Please be aware that penalty notices may be issued for any vehicles found to be parked in breach of the law.
- **Carpark:** We must remind parents and carers not to drive into the school carpark to drop children off. This is unsafe due to goods and staff vehicles moving in this area.
- **No Toys in School:** We've noticed that some children have recently started bringing small toys into school. While we understand that children enjoy sharing their favourite items with friends, toys should not be brought into school due to safety and children getting upset when precious items are lost or damaged.
- **Road Safety:** We have received a report from a concerned resident regarding a near miss involving children riding scooters and bikes on Orchard Avenue. The resident noted that some children have been riding without due care and attention, picking up speed as they go down the road. If this may be your child, please remind them of being aware of traffic and pedestrians around them.
- **Medication:** If your child is in Year 6, please collect their medication from the school office. For all other children, if your child has medication, it is your responsibility to check the dates. The office staff will be happy to help if you come to the office.

Telephone: [01925753926](tel:01925753926)

## NICE TO KNOW

### My Happy Mind

As we head into the summer holidays, we wanted to let you know about a great feature on the myHappyMind Parent App. They have launched a brand-new 'Holiday Checklist' so children can keep practising their myHappyMind habits during the holidays. To find the checklist on the Parent App, follow these instructions:

1. Open the app
2. Click on Kids' Zone
3. Select myHappyMind Checklists
4. Choose the Holiday Checklist

If you have not yet downloaded the myHappyMind app, we recommend you do as we have received great feedback about it from families so far. Our school code is **148457**.

### **String Lessons**

After more than 10 wonderful years at Ravenbank, our wonderful violin teacher, Mrs Leighton-Jones is retiring. She has been an inspiration to so many, with her passion for music shining through in every lesson and performance. Her dedication to the string group has been truly remarkable, and she will be greatly missed. We wish her all the very best in her next chapter. We are pleased to welcome a new violin teacher, Mr Wyss, who is keen to continue both peripatetic violin lessons and the Thursday string group. If any children in Key Stage 2 are interested, please contact him directly: sebwys94@icloud.com

### **Year 3 Residential**

*Last Thursday, our Year 3 children had their residential. A big thank you to all the staff who stayed late, slept on the field overnight and made sure the children had a wonderful time the next day!*

Firstly, we set up the tents and it was very fun. The instructors put up the green part of the tent and we did the black part. Later on, we had delicious smores and a tasty hot chocolate around the campfire. The next day, we did rock climbing, zorbing, bushcraft and archery. Most people really enjoyed the zorbing and we got to bump into each other and do forward rolls. Lots of children even got to the top of the climbing wall.

By Harry J, Charlotte M, James A and Elsie JH.

### **Year 6 Leavers' Party**

On Thursday 10<sup>th</sup> July, Lymm Oughtrington Cricket Club hosted the Year 6 Leavers party. We were blessed with absolutely amazing weather in a beautiful setting. All of the children had a fabulous time with the giant inflatable, disco, full year tug of war contest and burgers and gelato galore! Thank you to all the parents who made it such a special night with their efforts in setting up and decorating the venue, manning the BBQ, serving drinks, and all round making sure everyone was happy and having the best night.

In particular, we would like to give a special shout and thank you to the following people and businesses for their kindness and generosity:

- Lee Hughes of Tatton Financial Planning Limited for his generous donation towards the party
- David Antonelli of Antonelli Bros Ltd – who provided gelato, cones and toppings plus served the children (and parents) gelato on the night
- Ashleigh Hindley Photography – Ashleigh offered her amazing services to photograph the party
- Paul Gosling – DJ extraordinaire who played great tunes and kept the children dancing and his children aren't even in year 6!
- Ravenbank PTA with their support of help with the venue deposit

# NICE TO KNOW/ YEAR GROUP HIGHLIGHTS

## Year 6 Highlights – A Year to Remember!

What a fantastic final year our Year 6 pupils have had! From crafting, cooking, and coding to performances, projects, and prefect duties, they've embraced every opportunity with enthusiasm and maturity. Some standout moments include:

- A creative morning pottery painting at Craft and Common
- Food tech fun at Lymm High, making pizza wheels and cakes
- A special trip to watch "Footloose" at the High School
- Exploring the past, present, and future at the Manchester Museum of Science and Industry
- Raising an incredible £2,000 at the Summer Fair with their entrepreneurial Year 6 stalls
- Welcoming a wide range of visitors to support learning and aspirations – from police officers and transition teams to inspiring parents
- Performing the spectacular end-of-year production "Oliver with a Twist" – a huge success!
- Completing their SATs with focus, resilience, and pride
- Showcasing their sewing talents with WW1 cushions and embroidery projects
- Recreating a suffragette protest, delivering powerful persuasive speeches to the whole school
- Leading with pride as prefects, red hats, and sports day helpers

**Year 6, we are so proud of all that you've achieved – you've been excellent role models, and we know you'll continue to shine in your next adventure! Everyone at Ravenbank wishes you lots of luck at your new schools- we can't wait to hear about your successes!**

## Year 5 Highlights – What a Journey!

Year 5 have had a truly brilliant year—packed with curiosity, creativity, and challenge. From learning about space pioneers to delving into the worlds of the Maya, Anglo-Saxons, and Vikings, they've developed a deep and wide understanding of history, science, and the world around them.

Some memorable highlights include:

- Fascinating work on rainforest animals and their life cycles
- Colourful and creative collages, chalk art, and model making
- Confidence in the water during swimming lessons
- Developing independence and road safety through Bikeability
- And, most unforgettably, their residential trip to Willersley Castle, where they showed remarkable perseverance and teamwork

**It's been a pleasure to see Year 5 grow in confidence and maturity this year. Well done!**

## Year 4 Highlights- Ancient Times and Amazing Tunes!

Year 4 have had an amazing year full of fun and memorable moments! One of the highlights was our trip to Roman Chester – marching through the streets in Roman armour was such a memorable experience! We also learned to play the violin with Carlie, which was a brand new challenge for many, with those lessons ending with a short performance from both classes. Our singing sessions with Simon Smith led to a beautiful and moving "Speak Life" performance at Lymm Baptist Church, showcasing the children's hard work and musical growth. We've also really enjoyed our learning through the exciting expeditions we started in the spring term, especially exploring the world through our Four Elements expedition and diving into Ancient Greece in our Ancient Ancestors topic. What a year to be proud of!

# NICE TO KNOW/ YEAR GROUP HIGHLIGHTS

## Year 3 Highlights – Adventurous and Artistic!

Year 3 have had an exciting and enriching year, full of hands-on experiences and creative exploration. From prehistoric times to coastal landscapes, they've travelled through time and across topics with enthusiasm and joy.

Here are some of their incredible highlights:

- A brilliant trip to Tatton Park to explore the Stone, Bronze, and Iron Ages
- An unforgettable camp experience with bushcraft, archery, zorbing, and tent sleeping!
- A confident and informative class assembly sharing their historical learning
- Getting up close to sea creatures in a rockpool experience, holding starfish and crabs
- Wonderful DT projects including pneumatic toys, seasonal tarts, and castle models
- Stunning artwork, from Monet coastal landscapes to pharaoh portraits and even making their own papyrus paper
- Building and sharing a coastal model to teach younger pupils about geography and ecosystems

## Year2- From Beanstalks to Brushstrokes!

Year 2 has been full of creativity, curiosity, and growth. From performing the festive play Christmas with the Aliens to exploring history during our Great Fire of London visit to Weaver Hall, the children have embraced every opportunity. They cooked global dishes with the Fun Food Chef, took on class jobs to build responsibility, and wrote persuasive letters to Mrs Sach to adopt class pets. Their learning came to life in an exciting Jim and the Beanstalk Expedition Showcase, and they expressed themselves through bold, vibrant artwork inspired by Frida Kahlo and art from around the world.

## Year 1 Highlights- From Puppets to Piglets!

Year 1 has been filled with exciting learning experiences and memorable moments. We explored our local area with a walk around Lymm, and in DT, the children enjoyed designing and sewing their own puppets.

A visit from the Toys Through Time workshop gave pupils the chance to explore how toys have changed, while the Minibeast workshop sparked curiosity about the natural world. Our Smoothie Making Showcase was a fun and healthy way to learn about nutrition, and the Goofus Theatre visit brought stories to life through performance.

A trip to Farmer Ted's gave the children hands-on experiences with farm life, and we ended the year on a high note by winning the football tournament—a proud moment for the whole school!

## EYFS- A Year of Firsts & Fun!

The year in EYFS has been full of special moments and proud achievements. We began with a festive highlight: the children's very first nativity performance in front of an audience, where every child had the opportunity to take part with their own speaking role. It was a wonderful experience that built their confidence and created lasting memories. During the spring term, we welcomed families into school for our second stay and play session. The children were so enthusiastic about sharing their learning, proudly demonstrating activities such as making paper aeroplanes and measuring how far they could fly. They truly enjoyed showing their grown-ups everything they have been learning and exploring in class.

Our final term brought an exciting class trip to Kenyon Hall Farm. The children discovered more about where food comes from, learning about the crops and fruits grown on the farm. One of the highlights was picking their own juicy strawberries to take home.

## NICE TO KNOW/ SAFETY MESSAGES

### Stay Safe This Summer – Especially Around Water

As we head into the holidays, we want to remind all families to enjoy the summer safely—whether you're heading abroad, staying local, or visiting rivers, lakes, or the coast.

Water safety is especially important during warmer months when more children and families spend time around open water. Please take a moment to talk to your child about how to stay safe in and around water, and what to do if they—or someone else—is in trouble.

 If you see someone in difficulty in the water:

- Shout – Call out: “Are you in trouble? Can you swim towards me, or stand up?”
- Reach – Use a long object (like a stick, towel, or oar) to try to reach them. Lie down or crouch to avoid being pulled in.
- Throw – Find something that floats (e.g., football, life ring, throwline) and throw it to them.
- Don't go in – Never enter the water yourself. Keep your eyes on them and call 999 immediately for help.

   If you are the one in trouble:

Remember: Float to Live

- Lie on your back with your mouth above water
- Try to stay calm and gently move to safety

You can find more important tips on water safety at:

 [Cheshire Fire & Rescue Water Safety](#)

### Staying Safe Online This Summer

As the summer holidays begin, many children will naturally spend more time online—whether it's gaming, watching videos, messaging friends, or exploring new apps. While technology offers great opportunities for learning and connection, it's important that we help our children stay safe, balanced, and kind online.

 Top Tips for Parents:

 Check privacy settings – Make sure your child's apps, games, and social media accounts are set to private, and that they know not to share personal information online.

 Talk regularly – Keep open conversations about who your child is talking to, what games they're playing, and what they're watching. Let them know they can come to you if anything makes them feel uncomfortable.

 Agree screen time limits – Help children balance screen time with offline activities like reading, playing outside, or spending time with family and friends.

 Know how to report – Teach your child how to block or report anything inappropriate. Remind them never to respond to messages from strangers.

 Be aware of age ratings – Apps and games have age restrictions for a reason. Always check that your child's digital content is suitable for their age and emotional maturity.

 Quick Reminder:

If your child sees or experiences anything worrying online, report it via:

- CEOP: [www.ceop.police.uk](http://www.ceop.police.uk)
- Childline: 0800 1111 | [www.childline.org.uk](http://www.childline.org.uk)

**Wishing all our families a safe & happy summer break!**

# NICE TO KNOW/ SUMMER READING

## Summer Reading – A Gift That Lasts!

As we head into the summer break, one of the most valuable things your child can do over the holidays is read regularly. Research consistently shows that reading for just 20 minutes a day can significantly boost children's vocabulary, comprehension, and overall academic progress.

But reading isn't just about school readiness—it also supports your child's mental wellbeing, offering a chance to relax, imagine, and explore new worlds. Books can help children develop empathy, manage emotions, and even reduce anxiety by providing a safe space to escape and reflect.

We know that routines can change over the summer, but small moments—whether it's reading together at bedtime, listening to an audiobook on a car journey, or visiting your local library—can make a big difference.

Here are a few tips to keep reading fun and engaging:

- Let your child choose what they want to read – comics, magazines, graphic novels, recipe books – it all counts!
- Model reading – children who see adults enjoying books are more likely to do the same.
- Talk about books – sharing your favourite characters or predicting what might happen next can bring stories to life.

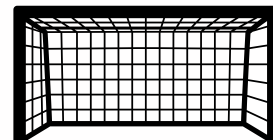

Thank you for your continued support. We look forward to hearing about the wonderful books your children enjoy this summer! If your child completes the below, or the Summer Reading Challenge, they will earn a Headteacher's Award.

# SPORTING NEWS

As of September, all sporting news will be published in a separate monthly newsletter. Please continue to send any sporting news to Miss Fenney via [ravenbank.primary@thebeamtrust.co.uk](mailto:ravenbank.primary@thebeamtrust.co.uk)

On Saturday 5th July, some of our boys from Year 2 (BC) entered the FC Eagle football tournament with their team, Lymm Piranhas - Pythons. Max, Henry, Ray, and Daniel - along with four of their teammates competed against 23 other teams. They all played exceptionally well and ended up coming 3rd!! A fantastic result!! Well done boys!

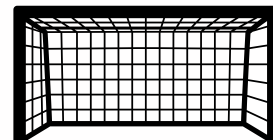

On Wednesday 9<sup>th</sup> July, Year 4 went to Lymm High School to take part in a tennis festival, which was delivered by Year 9 pupils as part of the Beyond the Baseline programme. Everyone thoroughly enjoyed the afternoon. The children got to play team games and learn tennis skills all whilst having fun in the sunshine. We were super proud of how everyone represented our school amazingly! A great afternoon was had by all!

# SPORTING NEWS

Sarah, Annabel, Olivia, Jasper, Jaiya, Florence, Emily, Isabel, Bea, Matilda, Laura, Charlotte and Sophie from Ravenbank performed in two shows with Joanne Elaine School of Dance at The Fuse.

The shows took place on the 5th and 6th July and included a variety of dance styles, acro and musical theatre performances. The children have worked really hard over the year and their talents and creativity truly shone through.

Huge congratulations to Milly (4DF), who competed in a gymnastics competition at the weekend and achieved amazing results! She came 1<sup>st</sup> in Vault, 1<sup>st</sup> in Floor and 1<sup>st</sup> Overall. Well done Milly, we are really proud of you!

# 10 Top Tips for Parents and Educators

## STAYING SAFE AROUND WATER

Enjoying time in, on, and around water plays a vital role in a young person's overall development, offering a healthy and exhilarating way to have fun. This guide outlines essential safety advice, based on the Royal Life Saving Society UK's Water Safety Code, to help ensure children can enjoy swimming and similar activities safely and responsibly.

### 1 STICK TO LIFEGUARDED AREAS

It's never advisable to enter unsupervised bodies of water, especially alone. Instead, it's considered best practice to accompany children to places with lifeguards, as they will be trained to respond swiftly in emergencies and provide first aid when needed.

### 2 LEARN SIGNS AND FLAGS

When going to a new environment, it's important to research the local area and make children aware of safety signage before entering the water. If visiting the seaside, make sure children are always supervised by an adult and that they know what different beach flags mean, so they're knowledgeable of where and when they can enter the sea.

### 3 STOP AND THINK

Young people should be cautious before entering water, as it's difficult to know what hazards could be underneath. Use the Water Safety Code and encourage children to ask themselves questions such as, 'Is the water too deep or too shallow? Are there currents, tides, or underwater objects?' Make sure children know never to enter water from a height, as what lurks below could cause serious injuries.

### 4 CONSIDER WATER TEMPERATURE

Even on hot days, water can be deceptively cold. Tragedies strike when young people experience cold water shock. Never let children enter water quickly; instead, ensure that they enter slowly and carefully to allow their bodies to adjust to the temperature or exit easily if needed.

### 5 INFLATABLE SAFETY

Although inflatables may seem like a fun idea when visiting locations like the beach, they can float further out from shore and into more dangerous water. It's advisable only to use inflatables in spaces like appropriately managed swimming pools, where they're used in more controlled and supervised environments.

### 6 SUPERVISION IS KEY

For young children, and particularly those under the age of five, it's important for them to be supervised at home, outside and at the pool at all times. It's essential for parents and educators to understand that young children can drown quickly and silently; therefore, anyone supervising them must maintain constant watch in case they get into difficulty.

### 7 DON'T GO TOO FAR

When swimming, especially in open water, it's best to teach children to stay within a safe depth. Those advice with them such as only entering water up to a standing depth, and in the case of visiting the beach, swim parallel to shorelines. This will allow a child to stay in control and get out of the water easily.

### 8 KEEP POOLS AND TUBS DRAINED

For parents of young children, a simple way to protect them at home is to keep outdoor spaces and bathrooms tidy after playtime. This includes removing water from paddling pools after use and turning them over, returning lids to hot tubs and taking toys out of baths, so all water can be fully drained from the tub.

### 9 FLOAT AND CALL 999

If a child gets into difficulty in the water, they should try to float on their back, stay calm, and call for help. If a young person sees someone else in trouble, they should dial 999 or 112 immediately, then shout to reassure their friend, encouraging them to float on their back, and letting them know that help is on the way. Children should never enter the water to attempt a rescue or retrieve belongings.

### 10 TEACH WATER SAFETY

Beyond swimming lessons, children should be educated in school on water safety. Use RLS UK's accredited programme, 'Water Smart Schools', which offers free lesson plans and resources on how to be safe on, near and around water by following the Water Safety Code.

### Meet Our Expert

The Royal Life Saving Society UK (RLSS UK) is a national water safety charity that gives children the chance to enjoy a lifetime of fun in the water, safely. Water safety education provided in schools is vital and, in some instances, could be a child's only opportunity to learn about the water.

Warrington's Local Cultural Education Partnership (LCEP) is delighted to share our second newsletter with families across Warrington, with a spotlight on Warrington Arts Festival taking place this July!

Warrington's Local Cultural Education Partnership (LCEP) is a collaborative initiative that brings together schools, cultural organisations and community partners to enhance cultural education opportunities for children and young people. These partnerships aim to ensure that all young people, regardless of their background or location, can access high-quality arts and cultural experiences.

Each term we hope to connect with families across Warrington, letting them know about the cultural and creative activities happening across our wonderful town!

**WARRINGTON ARTS FESTIVAL FULL PROGRAMME**

An alien invasion, a life-sized knitted house and a nostalgic nod to iconic nightclub Mr Smiths are among the eclectic highlights for the return of Warrington Arts Festival this July.

The vibrant annual event, hosted by arts charity Culture Warrington, has revealed its full programme for a summer town centre takeover with a series of performances and installations coming to a variety of venues and pop-up spaces over nine days.

# Flourishing Families

Flourishing Families  
Helping Parents and Children Grow Together

Join us for a fun, interactive session designed to boost well-being for both parents and children! Through play - based activities rooted in mindfulness, families will explore important life skills in a joyful, supportive environment.

Led by Blossom and Bud, children and parents will embark on a magical mindfulness journey - building calm, connection, and confidence along the way.

29th July & 5th August @ 10am

at The Engine Rooms, Birchwood Park
